

## Description

## Specification

Power supply	AC220V 50Hz
Power consumption	≤2w
Resolution	0.1
Temperature setting	-40~+120℃
Humidity setting	0~99.9%
Error	Temperature: ≤±0.5%FS Humidity: ≤±4.5%FS
Display	LED(0.56 inch)
Output	3A AC250V(Resistive load)
Ambient operating temperature	0℃~50℃(With no condensation or icing or corrosive gas)
Ambient operating humidity	30%~85%(With no condensation or icing or corrosive gas)
Dimension(mm)	72×72×82
Mounting(mm)	68×68
Installation	Flush mounting

## Dimension of the sensor and the terminal(mm)

## Wiring
